girl scouts of western washington

Community Service Bar Application and Report Form

Cadette, Senior and Ambassador Girl Scouts have the opportunity to earn a community service bar at each level. This award is earned by completing 20 hours of service for a community organization while putting the Girl Scout Law into action. Before you begin, use this form to have your organization approved by a Girl Scouts of Western Washington staff member. When selecting an organization, be sure you pick one who is willing to train and work with you. We recommend you think about the Girl Scout Law, your personal values and talents. Be sure to follow the safety guidelines in Volunteer Essentials and Safety Activity Checkpoints, too!

Instructions

Before service starts: Once you have selected an organization you want to volunteer for, please complete the basic information section, **Before Questions** and submit via email to serviceawards@GirlScoutsWW.org. You will receive a response via email within two weeks and you may begin your service hours at that time. Save this form on your computer and use it to track your hours as you go.

After service is complete: When you have completed 20 hours of service, complete **Hours Log** and submit via email to serviceawards@GirlScoutsWW.org. You will receive a response within two weeks, then you will be eligible to purchase your award through our stores. Make sure your basic information is also complete.

Basic Information

Girl's First and Last Name: Troop #: Service Unit #:

Age level (Cadette, Senior or Ambassador):

Girl/Family Email Address:

Proposed Organization Name:

Organization Address:

Before Questions

What will be your primary duties while volunteering?
