## Points of Interest

**The Arboretum** is a self-guided walk with stations pointing out local flora. Activity sheets are available at the Arboretum sign. The area is maintained by the Friends of St Albans.

### **The Archery Range:**

Archery is available for Junior through Adult Girl Scouts (Safety-wise). Troops are required to provide their own trained archery supervisor.

**Lake Devereaux:** Ninety-seven acre natural lake. WA State Dept. of Fish and Wildlife stock the lake annually and maintain the public fishing access. Fishing season from late April to late October. Fishing license required.

**Waterfront:** Row a Viking boat, an 18-foot rowing boat with carved head, unique to St Albans. Canoes and swimming (dependent upon the water temperature) available. All waterfront activities must be under the supervision of certified personnel.

**Rock Memorial Fire Circle:** Located between Pioneer and Frontier sites. This large fire circle provides a beautiful setting for any story or ceremony.

**Playfield:** The Playfield is located near the Huckleberry Hut and is one acre of open playfield for activities. Playfield equipment (parachute, sports equipment, volleyball, etc.) available for checkout from camp host.

**Frog Pond:** Hike a mile out to Frog Pond and enjoy other trails in the Back 40.
