

**Peninsula Girl Scout Program Center
1600 Winters Road NE
Donor Recognition & Naming Opportunities
Girl Scouts of Western Washington**

Girl Scouts of Western Washington is offering a wide variety of opportunities to leave your legacy on this new space. By naming one of the spaces you can recognize, honor or remember an individual, group, or a testament of your own as you recognize how important Girl Scouting has been in your life. At the same time you are providing financial support for a center that will be vital in the community for many years to come. The following is the list of naming opportunities as of November 6, 2008

Leadership Gifts

\$300,000 Level

Naming of the Girl Scout Program Center

This new facility will be a cornerstone in the community as it functions as the activity center for hundreds of Girl Scouts, volunteers and community groups. This building will be viewed by thousands of people each year who drive by on Highway 303 between Bremerton and Silverdale.

\$75,000 Level

Activity Hall – Already selected

As guests walk into the center the first area they see is the impressive Activity Hall. This room will be the core location for troop activities as well as community and volunteer meetings. With its vaulted ceilings and stage, the space is adaptable for many room layouts and will accommodate over 100 people at any time.

\$50,000 Level

Multi-Purpose Area

This area will be designed to accommodate troops engaged in hands on activities such as program meetings and project meetings when groups would like to access the kitchen.
