DISCOVERIES 2011

Resource Alley is a lunchtime activity at Discoveries where Girl Scouts and community groups can set up an informational display. Due to space limitations, only the first 20 displays proposed will be accepted for Discoveries. Suggestion:

Troop displays might highlight Gold, Silver or Bronze projects, Take Action projects, trips, activities, or any other successes you'd like to share with others.

Service Unit displays might show activities, encamporees or best practices such as communication or recruitment techniques.

Girl Scout staff displays would promote program and learning opportunities, and GSWW success stories.

Community displays might be representatives promoting recreational or learning activities for girls, or information that would be useful to girls and families.

Tables will be provided; each group will get ½ table unless a full table is requested. Colorful, creative displays that tell a story will be appreciated!

The bottom section of this form must be submitted to Donna Daisley-Harrison at donna@daisley-harrison.com or 25212 -215th Pl SE, Maple Valley 98038 by Jan. 5, 2011. Please call Donna if you have questions at 206/954-6973.
