To Store Manager:

Where can the girls of our community learn about customer service, handling money, budgeting, goal setting and responsibility? Many get their first exposure to these important concepts through the Girl Scout Cookie Sale.

Girl Scouts will be selling Girl Scout Cookies door to door and at site sales at local businesses from **February 26 – March 14, 2010**. Girl Scouts of Western Washington supports and encourages this project for its girls.

New this year: All dates, times and locations that girls will be selling cookies will be available on the website booth locator by zip-code so customers will be able to locate your store at www.girlscoutsww.org.

Any assistance you may be able to provide for the troops in your community that are involved in this activity, such as approving pre-scheduled site sales, would be appreciated by Girl Scouts of Western Washington. The girls are covered by Girl Scout activity insurance while participating in the sale.

The volunteer in charge of the Girl Scout Cookie Sale in your local area is:
