

Free Online Resources

3rd Party resources available for all ages!

Live Streamed Events

Live Theater

The Met Opera will live stream a series of free opera performances every night at 4:30 p.m. PST during the coronavirus shut down.

metopera.org

Live Music

The Seattle Symphony is offering free livestreams until the orchestra can return to Benaroya Hall.

Seattlesymphony.org/live

Live Animals

Cincinnati Zoo is hosting Home Safari Facebook Live events every day at noon. Each day they will highlight one animal and include an activity you can do at home. Afterwards, check out zoo.sandiegozoo.org/live-cams for live footage of all your favorite animals.

Live Art

Lunch Doodles with Mo Willems—learn to draw in a virtual art studio! New episodes daily at 10 a.m. PST

Activities At Home

Science

MysteryScience is offering their most popular science lessons for free. These videos get kids interested in science by exploring a mystery! There are 5 minute mysteries like “why do we get hiccups?” and longer lessons like “what will the weather be on your birthday?” Each video has an exploration and activity component.
