

# Blood: The Gift of Life

**A Partnership Program with Bloodworks Northwest**

In a partnership with Bloodworks Northwest, Girl Scouts of Western Washington presents this new patch program all about blood and blood donations—The Gift of Life.

It is designed for all ages and can be done at home with family or as a troop in-person or on a virtual platform.

Through the fun and informative activities this curriculum will take you through five steps:

1. Blood Components
2. Blood Types
3. The Science of Blood
4. Diversity, Equity, and Inclusion in Blood Donation, and
5. Local Blood Needs

**Please register on the Girl Scouts of Western Washington website to receive the curriculum by email. You can register [here](#).**

Not a Girl Scout yet? You can join [here](#). Membership is only \$25 and financial assistance is available [here](#).

*Please note, the patch is currently being designed and will be available for purchase in Fall 2020. Those who register before the patch is available will be notified by email once it is available and how to order.*

We hope you enjoy Blood: The Gift of Life patch and its program and gain the knowledge to share and help Bloodworks Northwest, or your local blood bank, and our communities build a stronger blood bank.

Be a Blood Superhero!
