# Household Flag

In the magical world of Harry Potter, each house has a flag with a main color, crest, and animal that represents that house. Create a similar one for the household you live in! The best part is, you can let your creativity run wild and use what is around you to make this special.

### Getting Started:

Ask those around you or decide for yourself a few things:

1. What color comes to mind for your household?
2. Is there an animal you think would represent you well? Look up a few qualities that animals have. Bears are brave, eagles are fast, otters are skillful etc.
3. What are a few of your household values? Kindness, loyalty, wit, etc.
4. What element do you associate with your household? For example: wind, air, fire, or water.

Gryffindor

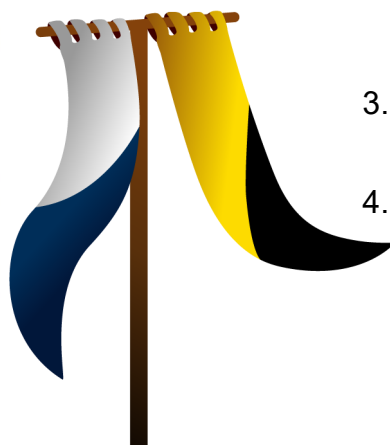

Hufflepuff

Slytherin

Ravenclaw
