## Camp Property Assessment Advisory Group

Update 2.11.21

Thank you to everyone who applied for the Camp Property Assessment Advisory Group. A total of 60 volunteer applications were submitted communicating a range of camp experiences across GSWW properties (and beyond), a variety of skills and expertise, and a diversity of membership including from Black, Indigenous, and People of Color communities. Applications were reviewed with an eye toward achieving diverse and balanced representation across our camp community as well as for skillsets and perspectives. Based on this review, 14 volunteers were asked to join the group.
