When will camps reopen?

November 2021: In November, we will hold our Spring 2022 Service Unit Encamporee lottery.

January 2022: Our new site reservation system is expected to launch in January. Unreserved camp facilities will be available for reservation within the new system!

March 2022: Camps River Ranch, Robbinswold, Lyle McLeod, and St. Albans will reopen by March.

April 2022: We hope to open Camps Evergreen and Towhee in April, or sooner if possible.

Note: Camp Klahanee will remain closed due to extensive maintenance needs.

What camp programs will GSWW offer this membership year?

Staff-Led Summer Resident Camp

In 2022, we will offer staff-led resident camp at River Ranch and Robbinswold. Sessions will be offered in July and August, including classic camp, boating, backpacking, and art-focused programs. Although we won't be offering equine programming in 2022, we have a lot of other exciting programs and activities to choose from! Registration opens on **February 15, 2022!**

Family Camp

In June 2022, we will offer family camp at both River Ranch and Robbinswold. Participating families will enjoy meal service and programming led by our camp staff.

Women's Own

Women's Own will return to Camp Robbinswold in August 2022!

Learning Opportunities

Our learning team will continue to offer opportunities at our camps to complete workshops, training, and certifications. Registration will open in early 2022 for the following opportunities:

- Outdoor Weekend of Learning Conference: March 25–27, 2022
- Certification Weekend Conference: June 3–5, 2022
- Outdoor Overnight Training: Offered monthly beginning in April 2022

Program Opportunity

SAVE THE DATE! The Global Action Summit returns to Camp Robbinswold for its 10-year anniversary on June 3–5, 2022. The retreat weekend, hosted by the Senior and Ambassador Global Action Team, is for Cadette Girl Scouts who will discover how to take action through advocacy while exploring untold histories from around the world.

Site Reservations (Including Service Unit Encamporees)

With the anticipated launch of our new system, we will resume camp site reservations this spring at all camp properties, except Camp Klahanee, for service

units, troops, groups, households, and community partners. Opening our camps this past summer to member reservations was a huge success! During summer 2022, Camp St. Albans will be available for site reservations, Service Unit Encamporees, and volunteer-led camps and programs. We want everyone to experience the beauty and magic of Camp St. Albans.

During the pandemic, we went through a Camp Property Assessment, which included a financial analysis of our camp revenues, expenses, competitor pricing, and deferred maintenance costs. Based on this analysis, we increased site reservation pricing for Camp River Ranch and Camp Lyle McLeod; these increases will help support critical maintenance needs and property improvements. As we reopen additional camp properties, we will make similar adjustments to align pricing across camps.

Want to support our camps?

Our goal is and will continue to be to create affordable camp experiences for our members, but it is important to note that our fees only cover a small fraction of the cost to maintain our camps. If you'd like to contribute to a specific camp's operational needs, please visit [Ways to Support Camp](#) on our website.

We're eager to work with each of our camp communities to maximize use and get our youth, volunteers, and families back to camp!

Yours in Camping,
Tara Stone
VP of Camp Programs
