Mr. Moon*

Mr moon, mr moon you're out too soon, the
sun is still in the sky
Go back to bed and cover up your head,
and wait till the sun goes by

And from the distant forest the cuckoo
answers clear

Cuckoo, cuckoo, cuckoo, cuckoo, cuckoo,
Cuckoo, cuckoo, cuckoo, cuckoo, cuckoo.

Goin' to Leave St. Albans**

I'm goin' to leave*
St. Albans now*
I've had my fun*
And I'm homeward bound*
I've learned new skills
And made new friends*

And mine they'll be*
 Until the end*
 I'll bid adieu*
 To the friends I've made*
 And to the unit*
 In which we've played*
 The counselors who've*
 Guided my way*
 Will forever in*
 My memory stay*When I'm at home*
 And summer comes*
 I'll think of you*
 And St. Albans*

Down by the Lake

Do Your Ears Hang Low?

Do your ears hang low?
 Do they wobble to and fro?
 Can you tie 'em in a knot
 Can you tie 'em in a bow?
 Can you throw 'em over your shoulder
 Like a continental soldier?
 Do your ears hang low?

Do your ears stick out?
 Can you wiggle them about?
 Can you flap them up and down
 As you fly around the town?
 Can you shut 'em up for sure
 When you hear an awful bore?
 Do your ears stick out?

Do your ears hang high?
 Do they reach up to the sky?
 Do they droop when they're wet
 Do they stand up when they're dry?
 Can you signal to your neighbor
 With a minimum of labor?
 Do your cars hang high?

Crocodile Song

She sailed away on a bright sunny day
 On the back of a crocodile
 You see she said, he's as tame as he can
 be,
 I'll ride him down the Nile

The croc winked his eye
 As she waved them good-bye
 Wearing a great big smile
 At the end of the ride the lady was inside
 And the smile was on the crocodile

Percy the Pale Faced Polar Bear

Way up in the land of ice and snow
 Where the temperature drops to 40 below
 Who's the happiest on up there
 Percy the pale faced polar bear

He sleeps all day and then at night
 He catches some fish by the pale moonlight
 Has no worries has no cares
 Percy the pale faced polar bear

Then one day the hunter came
 Caught poor percy by the snout
 Put him in a great big cage
 Percy howled and he growled
 But he couldn't get out

Now he's living in a zoo
 Funny thing is he likes that too
 'Cause he met his girlfriend Sue
 And she loves Percy the pale faced
 polar bear.

The River Nile

 So I can live in elegant style

 My blood will turn from red to blue
 Entertaining royalty all the while
 In my castle, castle, castle, on the river Nile.

Spooky Version

I'm gonna build my dungeon on the pile
 So I can live in horrible style
 Great big blood stains on the floor
 Dracula's brother at my door
 I'm gonna marry my prince Frankenstein
 My blood will turn to turpentine
 Entertaining skeletons all the while
 In my dungeon, dungeon, dungeon, on the
 boney pile
 The boney pile

Tennessee Wiggle Walk

Im a bow legged chicken, and a knocked
 kneed hen.
 Haven't been so happy since I don't know
 when.
 I walk with a wiggle and a giggle and a
 squawk.

Doing the Tennessee wiggle walk

Put your heels together and your knees
apart
Snap your fingers ready and start.
Flap your elbows just for luck
As you wiggle and you waddle like a baby
duck.

Come dance with my baby, keep your toes
in time
Haven't been so happy in a long long time
I walk with a wiggle and a giggle and a
squawk
Doing the Tennessee wiggle walk

Have You Ever Been Fishing

1. Have you ever been fishing on a hot
summer day
And seen all the little fishies
Swimming up and down the bay
With their hands in their pockets,
And their pockets in their pants.
And all the other fishies do
The Hoochy Koochy dance
You never have, and you never will

2. Have you ever been fishing

On a hot and sunny day
And you're sitting on a bench
And the bench gives way
With an alligator snapping at the seat of
your pants
And all the little fishies do
The Hoochy koochy dance
You never have and you never will

3. Have you ever been a fishing on a cold,
cold day
And seen all the little fishies
Frozen solid in the bay
With their hands in their pockets
And their pockets on their pants
And it's too darn cold
To do the Hoochy Coochy dance
You never have and you never will

4. Have you ever been a fishing
On a rainy, rainy day
And seen all the little fishies
With umbrellas in the bay
With their hands in their pockets
And their pockets in their pants
And it's too darn cold
To do the Hoochy Koochy dance
You never have and you never will

5. Have you ever been a fishing
On a hot and cold day
And seen all the little fishies
Confused in the bay
With their hands in their shirts
And their pockets in their shirts
They're too darn confused
To do the Hoochy Koochy dance
You never have and you never will

Alligator, Alligator, can be your friend
Can be your friend, can be your friend too.
The alligator is my friend,
He can be your friend too
If only you could understand
That he has feelings too.

The alligator smiles and grins,
He never sings the blues,
I'd rather have him on my shirt
Than have him for my shoes

The alligator ate my friend,
He can eat your friends too,
If only you could understand,
That he needs dinner too.

This Camp is Our Camp

1 This camp is my camp,
 This camp is your camp,
 From the Beaver's Acres,
 To the glowing campfires,
 From the troop camp training,
 To the tranquil weekends,
 This camp was made for you and me

2 As I was walking that
 Waterfront pathway,
 I saw above me the green treetops
 I saw below me the earth we cherish
 This camp was built for you and me

3 This camp is my camp
 This camp is your camp
 From the stinky Biffys, to the lucky Pixies
 From the peaceful quiet
 To the ringing dinner bell
 This camp was built for you and me

 And followed my promise
 That led me here to Lake Devereaux
 And all around me were voices singing
 This camp was built for you and me

 As three myopic rodents

 day.
 Ch: Dig a duck, dig a duck, dig a geoduck
 Dig a duck, dig a geoduck, dig a duck a day.
 (2X)
 2.Well it takes a lot of luck
 And a certain kind of pluck
 Just to dig around the muck,
 Just to get a geoduck.
 For he hasn't got a front
 And he hasn't got a back
 And he doesn't know Donald
 And he doesn't go quack.

 Nothing out there
 Wants to make you its meal
 Nothing out there eats people for dinner
 Cause they know how sick they would feel

Duck Rover

Oh, I'm a duck rover from out in Montana
I round up them duckies
And drive them along
To a flooded carral

Where we bulldog and brand them
And mosey on home
Just a' singin' this song:

Ch: Singing Quack, quack,
Yippee yay!
Get along little duckies
Get along real slow
It's dirty and smelly
And it really don't pay
But, I'll be a duck girl
Til the end of my days

On Saturday night, I ride into town
On my short legged pony
With my hat pulled way down
But boys don't like duck girls
I can't figure out why
No cowgirl could be more romantic than I

Chorus

There's danger, adventure and romance, I
know
From a waddling stampede
To a duck rodeo
But there's loneliness too,
And it cuts to the bone
When you smell like duck feathers
You're always alone

Chorus

 And I wear my flannel nighties in the winter
 when it's not
 And sometimes in the spring time
 And sometimes in the fall
 I jump between the sheets with nothing on
 at all

Ch: Nosey nose what's it to ya (x3)
 If I jump between the sheets with nothing on
 at all

I wake up in the morning
 With the sheets around my head
 And my little footsie tootsies are hanging out
 of bed
 And three times out of four I wind up on the
 floor
 I ain't gonna drink that root beer anymore

Oyster Stew

1 One day I ordered an oyster stew
 Alone teehee alone
 And one little oyster looked at me
 Alone teehee alone
 And he winked at me and he blinked at me
 I've been in many a stew said he
 But don't tell the chef that you saw me
 Alone teehee alone

2 And maybe I'll go to the junior prom Alone
 teehee alone

And maybe I'll sit by the chaperone
 Alone teehee alone
 And maybe somebody will wink at me
 And I will wink at them Teehee
 And then you'll know that I won't be
 Alone teehee alone

3 A fly flew into a grocery store
 Alone teehee alone
 He'd never been in a store before
 Alone teehee alone
 Put his leg in the bread
 And his foot in the ham
 And stuck out his tongue at the grocery man
 And then he flew out of the store again
 Alone teehee alone

My Reindeer

My reindeer flies sideways, she's better
 than yours
 My reindeer can cha-cha, she can open up
 doors
 My reindeer is purple, yours is a pea green
 My reindeer's a Girl Scout, she can dig a
 latrine

My reindeer wears pj's, yours sleeps in the
 nude
 My reindeer has manners, your reindeer is
 crude
 Your reindeer uses fire starters,
 My reindeer uses just one match
 Your reindeer gets chilly
 Mine wears a scarf and a hat

My reindeer wears a poncho, your reindeer
 get wet
 My reindeer is healthy, yours goes to the vet
 My reindeer flies sideways,
 Your reindeer flies upside down
 My reindeer is perfect, your reindeer is
 DEAD.

Doughnut Song

Well I ran around the corner
 And I ran around the block
 And I ran right into a doughnut shop
 I picked up a doughnut and I wiped away
 the grease
 And handed the lady a five cent piece

 Well she looked at the nickel
 And she looked at me
 And she said "this nickel isn't good you see
 There's a hole in the nickel and it goes right
 through"
 And I said, "There's a hole in the doughnut
 too
 Thanks for the doughnut, too-de-loo"

Me and My Dinosaur

1. One day when the weather was cloudy
 and gray,
 And I wished someone would come over
 and play,
 I heard a "knock – knock" and I opened the
 door,
 And there stood the loveliest big dinosaur!

Ch: Me and my dinosaur!
 I never had such a friend before!
 As big as a house, twenty times and a half,
 And fifty times taller than any giraffe!
 Legs long as Sequoia trees!
 Teeth big as piano keys!
 No two people are buddies more
 Than me and my dinosaur!

2. We hop-scotched to Africa quick as a
 breeze,
 While leap-frogging over the coconut trees,
 And when we got thirsty, mile after mile,
 In one great big gulp we just drank up the
 Nile!

3. We went to church, and then we went to
 school.
 My dinosaur, gee he is really cool!
 I climbed all the way from his tail to his
 cheek
 Without stopping once it took nearly a week!

Boy and a Girl in a Little Canoe

 Or get out and swim

So what you gonna do in a little canoe
 With the moon shining' all a--

Oh lay -- oh la -- oh a lay a bahiah
 Oh lay -- oh la -- oh a lay a bahia

And I told him that I will
 Oh a lay a bahia
 When the rivers run uphill
 Oh a lay a bahia

 Oh a lay a bahia
 Or the day before I die
 Oh a lay a bahia

Oh lay -- oh la -- oh a lay a bahia

Ch: I am a stegosaurus
 I'm a funny-lookin' dinosaur
 For on my back are many bony plates
 And on my tail are more

1. My front two legs are very short
 My back two legs are long
 My body's big, my head is very small
 I'm put together wrong

2. Sometimes another dinosaur comes up
 and wants to fight
 I don't use fists
 I use my tail
 It has four sharp sharp spikes

3. So sing my song
 And I'll live on
 In my stegosaurus band

Sassafras

Way down yonder in tall grass
 An itty bitty woman called Sassafras
 With a wiggle in her walk
 And a giggle in her talk
 And a funny way of putting on the class

They say white lightning's in a jar
 Clear as water and hot as fire
 That may be true
 But I'm telling you
 That glass couldn't hold Sassafras

So tell all the neighborhood boys
 I'm the one that's making all the noise
 A little cup of tea
 Knocked the heart out of me
 And that cup of tea was Sassafras

Barges

1. Out of my window looking in the night
 I can see the barges flickering light.
 Silently flows the river to the sea
 And the barges do go silently.
 Ch: Barges, I would like to go with you
 I would like to sail the ocean blue.
 Barges, have you treasures in your hold?
 Do you fight with pirates brave and bold?
 2. Out of my window looking in the night
 I can see the barges flickering light.
 Starboard shines green
 And port is glowing red
 I can see the barges far ahead.
 3. How my heart longs to sail away with you
 I would like to sail the ocean blue
 But I must stay beside my window drear
 As I watch you sail away from here.

Darlin'

Darlin' won't you wait, won't you wait, won't

On My Honor

Ch: On my honor I will try
There's a duty to be done and I say "aye"
There's a reason here for the reason above
My honor is to try and my duty is to love

1 people dont need to know my name,
If i've done you any harm
Then I'm to blame
If I've helped another then I've helped me
To open up my eyes so I can see

2 I've tucked away a song or two
If you're feeling low there's one for you
If you need a friend then I will come
And there's plenty more where I come from

3 Come with me where the fire burns bright
We can even see better by a candles light
And we find more meaning
In a campfires glow

4 We've made a promise to always keep
And pray softly now before we sleep
We'll be Girl Scouts together
And when we're gone
We'll still be trying and sing this song

Today

Ch: Today while the blossoms still cling to
the vine
I'll taste your strawberries
I'll drink your sweet wine.
A million tomorrows will all pass away
Ere I forget all the joys that are mine today.
1. I'll be a dandy and I'll be a rover
You'll know who I am by the songs that I
sing.
I'll feast at your table, I'll sleep in your
clover.
Who cares what tomorrow may bring.
2. I can't be contented with yesterdays
glories
I can't live on promises winter to spring.
Today is my moment, and now is my story,
I'll laugh, and I'll cry, and I'll sing.

Puff the Magic Dragon

Puff the Magic Dragon lived by the sea
And frolicked in the autumn mist
In the land called Hanalee
Little Jackie Paper loved that rascal Puff
And brought him strings and sealing wax
And other fancy stuff
Ch: Puff the Magic Dragon, lived by the sea
And frolicked in the autumn mist
In a land called Hanalee (2X)
2. Together they would travel
In a boat with billowed sails,
Jackie kept a lookout perched
On Puff's gigantic tail
Noble kings and princes
Would bow when'er they came.
Pirate ships would lower their flags
When Puff roared out his name.
3. A dragon lives forever,
But not so little boys.
Painted wings and giant strings
Make way for other toys.
One gray night it happened,

Jackie Paper came no more.
 And Puff that mighty dragon,
 He ceased his fearless roar.
 4. His head was bent in sorrow,
 Green scales fell like rain
 Puff no longer went to play
 Along that Cherry Lane.
 Without his lifelong friend,
 Puff could not be brave
 So Puff that mighty dragon
 Sadly slipped into his cave.

One Tin Soldier

1. Listen children to the story
 That was written long ago
 About a kingdom in a mountain
 And the valley far below
 On the mountain was a treasure
 Buried deep beneath a stone
 And the valley people swore they'd
 Have it for their very own
 Ch: Go ahead and hate your neighbor
 Go ahead and cheat your friend
 Do it in the name of heaven
 You can justify in the end
 There won't be any trumpets blowin'
 Come the judgement day, on the bloody
 morning after...
 One tin soldier rides away

2. So the people of the valley
 Sent a message up the hill
 Asking for the buried treasure
 Tons of gold for which they'd kill
 Came an answer from the kingdom
 "With our brothers we will share
 All the secrets of the mountain,
 All the riches buried there."

3. Now the valley cried with anger
 "Mount your horses, draw your swords"
 And they killed the mountain people
 So they won their just reward
 Now they stood beside the treasure
 On the mountain dark and red

Turned the stone
 And looked beneath it
 "Peace on Earth" was all it said

Jimmy Brown

1. Run and jump and skip and fall
 You think you're tall but you're so small
 Momma calls for supper no more play
 Soon will come tomorrow
 They'll be another day.
 Ch: Singing he La de day,
 Oh la de de odie oten do and oily oxen free.
 Well I can run faster than Jimmy Brown
 I'm the king of the mountain
 And you'll never get me down.

2. Up bright and early, got a lot to do
 Gonna build a castle or go to the zoo
 And visit mother goose in storybook land
 Why does mommy hold my hand?

3. I'm pretty old, five and a half
 Gonna be like daddy and never laugh
 Cuz when you're old you gotta be strong
 You're not a child for very long.

4. I'm full grown now, on my own
 Oh how I wish I could go back home
 And play all day with my old friends
 Why does childhood have to end?

House at Pooh Corner

1. Christopher Robin and I walked along
 Under branches lit up by the moon.
 Posing our questions to Owl and Eeyore
 Our days passed away all too soon.
 But I've wandered much farther
 Today then I should,
 And I can't seem to find my way back to the
 wood.
 Ch: So help me if you can,
 I've got to get back to the house at Pooh
 Corner by one
 You'd be surprised there's so much to be
 done
 Count all the bee's in the hive,

Chase all the clouds from the sky,
Back to the day of Christopher Robin and
Pooh.

2. Winnie the Pooh doesn't know what to do,
Got a honey jar stuck on his nose.
He came to me asking help and advice
And from here no one knows where he
goes.

So I sent him to ask of the Owl is he's there
How to loosen a jar from the nose of a bear.

On the Loose

Ch: On the loose to climb a mountain

On the loose where I am free

On the loose to live my life

The way I think my life should be

For I've only got a moment

And a whole world left to see

I'll be looking for tomorrow on the loose

1. Have you ever seen the sunrise

Turn the sky completely red

Have you slept beneath the moon and stars

A pine bough for your head

Do you sit and talk with friends

Though a word is never said

Then you're just like me

And you've been on the loose

2. There's a trail I might be hiking

Just to see where it might go

Many places yet to visit

Many people yet to know

For in following my dreams

I will live and I will grow

On a trail that's waiting out there

On the loose

3. So in search of love and laughter

I'll be travelling O'er this land

Never sure of where I'm going

For I haven't any plans

So in time when you are ready

Come and join me take my hand

And together we'll share life out

On the loose

4. As we wait and watch the sunset

And the daylight slowly fades

I am thinking of tomorrow

And the friendships we have made

I will treasure them for always

And I hope that you will too

And forever we'll share life out

On the loose

Flicker

1. Flicker the campfire, The wind in the
pines

The moon in the heavens, the stars that
shine

A place where people gather

Make friends of all kinds

A place where old man trouble

Is always left behind

Ch1: So give me the light of the campfire

Warm and bright

And give me some friends to sing with

I'll be here all night

Love is for those who find it

I've found mine right here

Just you and I and the campfire

And the songs we love to hear

2. A place to sing together, together all night

A place to sing forever

A Place where we can dance

By the moonlight so bright

So give me the light of the campfire

And I'll be here all night

3. Green is the valley, sweet is the clover

Gone are the cold winds forever more

The roses are blooming, the oceans so blue

The sun above is setting upon our love so

new

Ch2: For love is like a warm fire, soft and

low

And you find your true love

Your heart will really know

And when the leaves start falling

And friends begin to part

The memories of the summer
Will stay in every heart

Rainbow of Children

Ch: We're a rainbow made of children,
We're an army singing a song.
There's no weapon that can stop us,
Rainbow love is much too strong.

1. I was raised in Mississippi
Saying "yes sir" to all men.
But I found it got me nowhere,
So I never said it again.

Chorus

2. It's not winning that's important,
But it's how you play the game.
And when you become a rainbow,
All the rules become the same.

Chorus

3. I was taught that some were evil,
I was taught that some were good.
But in a rainbow made of children
Everyone is understood.

Chorus

If you Love me

If you love me, if you love love love me
Plant a rose for me
And if you love me for a long, long, long
time
Plant an apple tree
So whether I stay or whether I go
You'll have an apple or you'll have a rose
So if you love me, if you love, love, love me
Plant a rose for me.

Harriet Tubman

Last night I dreamed, I lived in slavery,
'Bout 1860 was the time.
Sorrow was the only sign,
Nothin' around to ease my mind.
Out of the night appeared a lady,
Leading a distant pilgrim band.

First mate she called pointing her hand,
Make room on board for this young
woman...

Ch: (snapping to the beat)

Singin' come on up, mmmmmm
I've got a life line.

Come on up to the train of mine.

She said her name was Harriet Tubman
And she drove for the underground railroad.
(4 beats snapped out)

Who are these people dressed in red,
They must be the ones that Moses led (2X)

2. Hundreds of miles we traveled onward
Gathering slaves from town to town
Seeking every lost and found
Setting those free that once were bound.
Somehow my heart was growing weaker,
I fell by wayside sinking sand.

Firmly did this lady stand,
Lifting me up and take my hand.

Chorus

3. Then I awoke, no more I faltered
Finding new strength in paths we're shown
Sisters & brothers fleeing their homes,
History, their people, all they've known.
And they are fleeing their homes in
Guatemala Chili, Brazil, El Salvador.
Fleeing from the prisons & war
Through the night & to our door.
Will we sing come on up...

Magic

Ch: Magic is the sun that makes a rainbow
out of rain
And magic keeps the dream alive to try and
try again
Magic is the love that stays when good
friends have to leave
I do believe in magic, I believe
1 When I was young, I thought that stars
were made for wishing on
And every hole deep in a tree must hide a
leprechaun

Old houses all had secret rooms, if one
 could find the key
 I do believe in Magic, I believe
 2. Growing up, the grown ups said
 Someday id wake to find
 That magic's just a childhood dream I'd
 have to leave behind
 Like clothes that would no longer fit
 And toys I would ignore
 I'd not believe in magic anymore
 3. When I grew up I learned again
 That much to my surprise
 Magic did not fade away
 It took a new disguise
 A child, a friend, a smile, a song
 The courage to stand tall
 I do believe in magic, After all

Moon on the Meadow

Moon on the Meadow bugs in our ears
 Smoke in our eyes, wetwood and tears
 Up on the meadow water somewhere
 We were the only one's there.

Wild horses, Rushing dry lake and peak
 Finding a love that everyone seeks
 Hiking for rainbow, sunset and stars
 Just finding out who you are.

We will return here one lucky day
 Our hearts will guide us they know the way
 People in cities don't understand
 Falling in love with the land.

Moon on the Meadow bugs in our ears
 Smoke in our eyes, wetwood and tears
 Up on the meadow water somewhere
 With you my friend I am there.

Darlin' Won't You Wait

Darlin' won't you wait, won't you wait, won't
 you wait
 Darlin' won't you wait for me?
 Darlin' won't you wait, won't you wait, won't
 you wait
 Darlin' won't you wait for me?

Should another love come along, come
 along
 Simply tell them you're not free
 Send them on their way, on their way, on
 their way
 Darlin' won't you wait for me

Oh, my love, some of us I know are bound
 to die
 Hold me close, kiss me once again before
 we say good-bye

Lean On Me

1. Sometimes in our lives we all have pain
 We all have sorrow
 But if we are wise
 We know that there's always tomorrow

Ch: Lean on me, when you're not strong
 And I'll be your friend
 I'll help you carry on
 For it won't be long
 'Til I'm gonna need
 Somebody to lean on

2. Please swallow your pride
 If I have things you need to borrow
 For no one can fill those of your needs
 That you won't let show

3. You just call on me brother, when you
 need a hand
 We all need somebody to lean on
 I just might have a problem that you'll
 understand

We all need somebody to lean on

4. If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me

We Come From the Fire

We come from the fire, we come from the
fire
Go back to the fire, and turn the world
around
We come from the fire
Go back to the fire, and turn the world
around

We come from the river, we come from the
river
Go back to the river, and turn the world
around
We come from the river
Go back to the river, and turn the world
around

We come from the mountain, we come from
the mountain
Go back to the mountain, and turn the world
around
We come from the mountain
Go back to the mountain, and turn the world
around

We come from the sky, we come from the
sky
Go back to the sky, and turn the world
around
We come from the sky
Go back to the sky, and turn the world
around

We come from the fire, we come from the
river

Go back to the mountain, and turn the world
around

We come from the sky
Go back to the fire, and turn the world
around

Peace Like a River

I've got peace like a river (3x)
In my soul, in my soul (repeat)

I've got love like a mountain...
I've Got joy like a fountain....

I've got peace like a river
I've got love like a mountain
I've got joy like a fountain
In my soul, In my soul (repeat)

Penny Song

'Cause it's 1 for the penny
Sing for the money
2 for the show
Singing songs that I know
3 to get ready
The wide road is pretty
And 4 to go
It's been good to know you
And 4 to go
It's a long, way to go

St. Albans Goodnight Song

Goodnight to you my friends
And peace be with you.
May guardian angels watch
The whole night through
As night descends upon our weary
campfire,
The coals still burn
For friendship warm and true.
The spirit of St. Albans is within you
Hummmmmmmmmmmmmmmmmmmmmmmmmmm
Tomorrow will bring

Another day of happiness.
Good night, sweet dreams to you.

Taps

Day is done, gone the sun
From the lake, from the hill, from the sky.
All is well, safely rest, God is nigh.

Fading light, dims the sight
And a star gems the night gleaming bright
From afar, drawing nigh, falls the sky

Thanks and praise for our days
'Neath the sun, neath the stars, neight the
sky
As we go, this we know, God is nigh.

Yearly Leadership Songs:

All My Life's A Circle

Ch: All my life's a circle;
Sunrise and sundown;
Moon rolls through the nighttime;
'Til the daybreak comes around.

1. All my life's a circle;
But I can't tell you why;
Season's spinning round again;
The years keep rollin' by.
2. It seems like I've been here before;
I can't remember when;
But I have this funny feeling;
That we'll all be together again.
No straight lines make up my life;
And all my roads have bends;
There's no clear-cut beginnings;
And so far no dead-ends.
3. I found you a thousand times;
I guess you done the same;
But then we lose each other;
It's like a children's game;
4. As I find you here again;
A thought runs through my mind;
Our love is like a circle;
Let's go 'round one more time.
5. I found you a thousand times;
I guess you done the same;
But then we lose each other;
It's like a children's game

Big River

1. There's a big river flowin'
It'll be here tomorrow
It's time we should be going

There's no time for sorrow
The stars will shine the way back home
The song will keep the fire
Remembering the days we roamed
The song will lift you higher

Ch: So sing for the river and sing for the stars
Sing for the friends we made wherever they are
Sing to bring you back again or to take you away
Sing a song with me my friend sing for today

2. The bright stars are glowing
The full moon's arising
The river's reflecting
The moon on the horizon
Tonight we're sleeping on the land
With stars in our eyes
Dreaming of the friends we made
'Neath these dark skies

3. There's a campfire showing
The friends from our past
Faces of yesterday
And friendships that last
But now we go our separate ways
Although we long to stay
Promising to meet again
Some summer's day

I'm Going North

1. I wanna dance the tango with chance
And I wanna ride on the wire
'Cause nothing gets done with dust in your gun
And nobody respects a liar
2. So, goodbye for a while

I'm off to explore every boundary and every door

Yeah, I'm going north

3. And I wanna know where children would go

If they never learned to be cool

'Cause nothing's achieved when pushed up a sleeve

So nobody thinks you're a fool

4. So, goodbye for a while

I'm out to learn more about who I really was before

Yeah, I'm going north

5. Up where the hunted hide with ease

Under the arms of eyeless trees

Up where the answers fall like leaves

Or when your love is all I need

6. Yeah, I'm going north

I'm going north

Yeah, I'm going north, yeah

Blue Bottle

Ch: I have a little present here for you.

Inside this tiny bottle, so very small and blue.

Please do not uncork it, simply put it on away

For inside there lies a summers day.

Put it on away.

I'd be pleased if you didn't ask why I gave this gift to you.

I don't know myself, did it on a whim as the thought came running through.

I just wanna make you happy in a summer time kinda way,

And I thought you'd like your own summers day.

Put it on away.

Can you read the writing on this tiny bottles wall.

I know that it's quite small, but I can read it all.

It says, "She who is a-readin' me is a -lookin' right at my side and might be sort of interested at what lies inside.

There'll be one breath of a butterfly

And one ray from the sun and lots and lots of laughter from little children's fun.

But don't you dare uncork me,

simply put me on away,

for inside there lies a summers day."

Put it on away.
