

Girl Scouts takes the potential of girls, combines it with robust skill-building programming, and adds caring adult mentors and strong female role models.

Our Program

Everything a Girl Scout does centers around STEM, the outdoors, development of life skills, and entrepreneurship, and is designed to meet her where she is now and to grow along with her.

Whether she's building a robotic arm, coding her first app, building a shelter in the backcountry, or packing for her first hike, a Girl Scout has an exciting array of choices to suit her interests at every age.

STEM

Computer science, engineering, robotics, outdoor STEM, and more.

LIFE SKILLS

Civic engagement, healthy living, global citizenship, communication skills.

OUTDOORS

Adventure and skill building, including camping experiences for all age levels, from the backyard to the backcountry.

ENTREPRENEURSHIP

The Girl Scout Cookie Program—the largest girl-led business in the world—teaches goal setting, decision making, money management, business ethics, and people skills.

The Girl Scout Gold Award is the most prestigious award in the world for girls—and the most difficult to earn—and it's only available to Girl Scouts.

It's a one-of-a-kind opportunity for girls to engage in a rigorous process that calls for leadership at the highest level, as they tackle issues they feel passionately about.
