3. Read and review camper application instructions and Cancellation Policy and select “Close”.

**Application Instructions**

1. This form **MUST** be filled out by a custodial parent or legal guardian.
2. A separate application must be completed for **each child** you want to register.
3. Use the **Continue** and **Back** buttons on each page to navigate through this online form.
4. Required fields are underlined in red.
5. This application works best when using the following web browsers: Google Chrome or Mozilla FireFox
6. All registrations require a \$25 deposit per program which is due immediately upon enrollment. Please have your payment method ready before beginning the enrollment process.
7. If you have been pre-approved for Financial Assistance, please select Tier C pricing and pay your \$25 deposit during enrollment as deposits are not covered by Financial Assistance.
8. It is important that our system reflects your camper's correct school grade as our camp programs are based off the grade your camper will attend in the upcoming fall 2019 school year. If this information is incorrect in your registration, your camper may be enrolled in the wrong grade program and we cannot guarantee your camper will be able to keep their spot if their grade needs to be change after you have completed registration.
9. A written request is required for all camp registration changes or cancellations. Your request must be submitted at least four weeks prior to the start of your camp session to receive a refund for camp and/or transportation fees less your \$25 non-refundable and non-transferable deposit.
10. Your final camp payment is due my May 21, 2019, unless I have been pre-approved for Financial Assistance. Any accounts with a balance that have not been pre-approved for Financial Assistance after this date are subject to have their registration cancelled due to non-payment.
11. Customers who register on or after May 22, 2019 must pay the full amount of their camp balance during enrollment, unless they have been pre-approved for Financial Assistance.
12. We recommend getting pre-approved for Financial Assistance prior to registering for camp. Otherwise, you may be at risk of losing your non-refundable and non-transferable deposit if you register for camp and then cancel due to being denied Financial Assistance.

If you have any questions, please contact the camp office at 800-541-9852 or email.

**Girl Scout Camp is for every girl!**

At our camps, you'll make new friends, develop skills, and enjoy new experiences that will stay with you for a lifetime. We offer four types of camp programs:

**Classic Camp** is our traditional Girl Scout camp experience. All campers participate in swimming, nature, art, boating, campfires, cookouts, and hiking. Additional age-appropriate activities available.

**Specialty Camp** focuses on a specific skill or experience while allowing campers to participate in traditional classic camp activities.

**Horse Camp** combines classic camp activities with time working with horses. Every full day of camp, campers spend one hour in a ground lesson and one hour on an arena riding lesson. Beginners welcome! Boots and helmets are provided.

**Leadership Camp** is three-part progression for High School students interested in developing their leadership style. Our leadership programs help young women lay a foundation for future academic and career choices, as well as grow into self-confident and well-rounded individuals.

**Troop Camp** gives allows you to camp with us and your troop! We provide staff, meals, programming and fun while you grow together as a troop.

**Camp for All** is a week of fun for our campers with special needs and who require additional accommodations.

**Select Session**

**What is Tiered Pricing?**  
Girl Scouts believes that every girl, regardless of financial circumstances, should have the opportunity to experience camp. To keep camp affordable, we use a voluntary tiered pricing structure. You may choose the pricing option that works best for your family. All campers have the same experience regardless of which tier you choose.

**Tier A:** The full cost for each camper to attend camp. This includes costs for program supplies, staffing, food, and property maintenance.

**Tier B:** A partially-subsidized rate, for families that can pay a little more, but not the full cost of camp. (\$75 less than Tier A for Overnight Camp and \$25 less than Tier A for Day Camp)

**Tier C:** This is the fully subsidized rate available to our campers thanks to fundraising, special events, and the hard work of Girl Scouts during the Cookie Sale. (\$150 less than Tier A for Overnight Camp and \$50 less than Tier A for Day Camp)

*If applying for Financial Assistance, use Tier C.*

#### Important Information About Financial Assistance & Girl Scout Memberships

**NEW! Financial Assistance for Camp Has Improved!**

Girl Scouts supports every girl, regardless of their financial situation. Get pre-approved for Financial Assistance by submitting a Financial Assistance Request form [here](#)

Getting pre-approved for Financial Assistance now takes the stress out of request a Camp Grant as we no longer require customers to register for camp prior to applying for Financial Assistance. You can now register for camp at any time and still be eligible to have your Camp Grant applied by getting pre-approved for Financial Assistance!

Starting November 1, 2018, The Camp Registration Team will automatically apply your pre-approved Camp Grant to any one camp session balance within 5-7 business days after your complete camp registration. Campers must be pre-approved for Financial Assistance at least three weeks prior to the start of their camp session to have their Camp Grant applied.

Please note that your \$25 camp deposit is not covered by your Camp Grant and must be paid during camp registration. Deposits are non-refundable and non-transferable. The maximum award for a Camp Grant is \$600. Any remaining balance after the Camp Grant is applied must be paid by Tuesday, May 21, 2019 to avoid cancellation due to non-payment.

If your camper is wait-listed and you plan on utilizing Financial Assistance for camp, we recommend completing the process to get pre-approved for Financial Assistance as soon as possible to ensure your Financial Assistance is ready to go when your camper's wait-listed spot opens. If a spot opens for your camper and your Financial Assistance has not been approved, you may be unable to complete enrollment as your Financial Assistance needs to be pre-approved at least three weeks from the start of your camper's session.
