

# Skilled Camp Facilities Volunteer

## POSITION SUMMARY:

**Skilled Camp Facilities Volunteers** help with maintenance, projects, and repairs at camp facilities that require multiple people and/or specific skills. Camp Facility Volunteers possess specific skills, certifications, documented expertise, or professional experience that can be utilized for more advanced facility support needs.

## RESPONSIBILITIES:

- Assist site staff with projects requiring skilled labor which may include, but are not limited to:
  - a. Electrical work
  - b. Plumbing
  - c. Carpentry
  - d. Construction
  - e. Masonry
  - f. Mowing
  - g. Projects requiring more than one person such as tree removal, roofing repairs, ladder work, etc.
- Follow staff directions, with safety as the highest priority
- Work as a team with GSWW staff and other volunteers

## SKILLS & QUALIFICATIONS:

1. **Age:** Must be 18 or older.
2. **Physical Ability:** Possess ability, balance, and stamina to participate in potentially physically demanding tasks based on the nature of the specific volunteer work.
3. **Knowledge of Tools and Equipment:** Must demonstrate knowledge of safe handling for any tools, equipment, or machinery that will be used.
  - a. A valid Driver's license, clean driving record, and completion of GSWW driver training is required to operate any camp vehicles.
  - b. Must have certification, documented experience, or demonstrated expertise to operate power tools or machinery such as chainsaws, powered saws, and nail guns.
  - c. Must have certification or documented experience if providing skilled labor such as electrical work, plumbing, construction, etc.
4. **Good Judgement:** Ability to make good decisions quickly and independently to ensure a safe environment.
5. **Personal Integrity:** Demonstrate honesty, credibility, and dependability
6. **Interpersonal Skills:** Ability to work well with people from diverse social, cultural, ethnic, and economic backgrounds
7. **Outdoor exposure:** Willingness to work outdoors in a variety of weather and with potential exposure to biting insects and stinging nettles.
8. **Background Check:** Must complete and pass a criminal background check.

9. **Recommended:** Volunteers are encouraged to complete a [Volunteer Application](#) including Girl Scout Membership.

**TIME COMMITMENT:**

Volunteers may participate one-time or on an ongoing basis. Time commitment varies and should be discussed and agreed upon between the volunteer and the GSWW staff member prior to beginning volunteer activities.

**REPORTS TO:**

Skilled Camp Facilities Volunteers are supported by, and accountable to, the Site Manager or Ranger at the facility where they are volunteering.

**ACKNOWLEDGEMENT:**

I have read the above volunteer job description and accept the responsibilities included. I understand that this is a volunteer role and no compensation will be provided. I give my time freely in support of Girl Scouts of Western Washington.
