Class ID: **lwe4djb**

(Note: the first letter is a lower case "L")

Hi Kids & Parents!

The Symphony invites children ages 3-8 and their grown-ups to **join in a free, virtual music education experience**, centered around the story of *Peter and the Wolf*. During the Governor's "Stay Home, Stay Healthy" directive, we realize parents are having to unexpectedly provide homeschool education, so we created our very first **Virtual Music Class!**

It is chock-full of all kinds of fun activities for you to learn about music, instruments, animals and the whimsical story of *Peter and the Wolf*. The class culminates in an amazing video concert of Prokofiev's timeless classic--designed to capture the attention of kids of all ages!

Included are:

- Videos from Maestra Sarah Ioannides
- Coloring and activity sheets
- Simple songs to learn
- Questions for kids to answer and submit for discussion
- Engaging instructional videos geared to young children

- Finale 45-minute performance of Prokofiev's *Peter and the Wolf*
- and more!

If you choose, you can receive updates when content is uploaded, or check back periodically to see what's new. **Please join us and infuse some music education into your homeschool day!**

Go to our [Google Classroom](#) and login with class ID: **lwe4djb**.

Have fun!
