

## Girl Experience Board

**Senior and Ambassador Girl Scouts** are invited to apply to be part of this premier leadership and program development opportunity.

### Want to be part of a team that informs program opportunities and participates in program design?

Girl Experience Board members will gather with teens across council for program planning retreats. Board members will also serve on their region's Regional Program Committee.

### What's in it for Board members?

Board members will gain event planning experience, leadership skills, and have opportunities to connect with Girl Scouts from across the council. Board members will earn their Service to Girl Scouts bar. In addition, if a Girl Scout has completed or will complete a Senior or Ambassador Journey, her service on the Board can count toward the Silver or Gold Torch Award.

### Girl Experience Board Retreats:

The retreat weekends will give Board members the opportunity to collaborate with girls from across the council, meet with council staff, and inform future council-wide program offerings.

### Regional Program Committee:

As a member of the Regional Events Committee, girls will report out to the committee on updates from the Girl Experience Panel retreat, provide insight on regional program ideas, and help plan and execute regional programs.
