## Join the Cookie Fun Without a Troop!

The Girl Scout Cookie Program is one of the largest youth-led businesses in the world. Now your Girl Scout can learn to set goals, learn online business skills, and earn amazing rewards without being in a troop!

Online-only Girl Scouts will be invited to set up a Digital Cookie site where customers can order cookies for direct shipping or in-person delivery. In-person delivery orders must be approved by an adult, and cookies are picked up from one of our offices.

Cookie sales earn Girl Scouts rewards and Program Credits that can be used for Girl Scout experiences like attending camp, events, programs, purchases at our stores and at [GirlScoutShop.com](http://GirlScoutShop.com), and for seasonal offers through BestBuy and Guitar Center!

Visit [girlscoutsww.org/cookieresources](http://girlscoutsww.org/cookieresources) to see full rewards and Program Credits info.
