AGREEMENTS

By signing below I attest that I have read the [GSUSA Zoom License User Agreement](#) and [Zoom Terms of Use](#) and the Girl Scouts of Western Washington amendments below:

With regards to recording of gsZoom meetings:

- Written authorization and consent for recording is not required by Washington State Law. Instead, Hosts must verbally indicate that the meeting will be recorded and how it will be used, giving opportunity for participants to opt out by turning off their cameras if they choose not to participate. If recording, please make sure the announcement regarding the recording is included at the beginning of the recording session and repeated for anyone who may be joining late to the call.
- Please see Washington's statute on wiretapping and recording for more details: <https://www.dmlp.org/legal-guide/washington/washington-recording-law#:~:text=Washington%27s%20wiretapping%20law%20is%20a,Rev>

Period of use:

- gsZoom licenses may be removed from user access at any time by Girl Scouts of Western Washington, for reasons including, but not limited to: eligibility due to role and membership changes, budget availability, and improper account use according to the guidelines.

I agree to abide by all policy guidelines as a condition of my use of GSUSA Zoom licenses as a volunteer at Girl Scouts of Western Washington.

I can download a copy of these documents from GSUSA's website and Zoom's terms of use page.

I understand that the terms of use are subject to change and may be updated at any time by Zoom or GSUSA. By accepting this license, I agree to stay apprised of the current terms of use.

I understand that if I have questions, at any time, regarding any of the policies and procedures, I will contact the Girl Scouts of Western Washington Customer Care Team at (800) 541-9852 or email CustomerCare@girlscoutsww.org.
