### SCENARIO #7
You and your Girl Scout buddy are exploring the hotel and your buddy stumbles on the hotel steps and sprains her ankle. You forgot to tell the advisors you were leaving your room.

**What would you do?**

### SCENARIO #8
One of the girls on the trip confides to you that everyone is against her. She becomes increasingly disrespectful and uncooperative to the other girls and advisors.

**What would you do?**

### SCENARIO #9
Several of the girls suspect that Kelly is using drugs.

**What would you do?**

### SCENARIO #10
You return to the hotel after dinner and find that your extra money and iPod are missing.

**What would you do?**

### SCENARIO #11
Your roommate is getting ready for a day of group sightseeing and puts on very short shorts and low-cut top.

**What would you do?**

### SCENARIO #12
Your roommate wakes up in the night with severe diarrhea and vomiting.

**What would you do?**
### SCENARIO #13
The travel group is awakened in the night by the hotel fire alarm.

*What would you do?*

### SCENARIO #14
Katie did not feel like eating dinner and stayed in the room. There is fear she may have been kidnapped.

*What would you do?*

### SCENARIO #15
Your best friend on the trip, Alice, cries often because she is homesick.

*What would you do?*

### SCENARIO #16
The advisors on the trip are not getting along. You feel like their bickering is having a negative impact on the group.

*What would you do?*

### SCENARIO #17
Your group hired a vendor to take you on a day rock climbing trip. The vendor does not have enough helmets for everyone, and you notice that some of the ropes look worn and potentially unsafe.

*What would you do?*

### SCENARIO #18
Your group attended a late night play in a rowdy neighborhood. After the play, the driver that was hired to take you back to your hotel does not show up.

*What would you do?*
