Cost to Attend Camp

Camp S'More at Camp River Ranch

Prices vary based on the unit selected, length of your stay, number of activities you choose, and size of your group. Our reservation team can work with you to “rightsize” your campout for most budgets.

Overnight Camp at Camp St. Albans and Camp Robbinswold

The true cost of attending one week of overnight camp is \$2,100. Because we are committed to keeping camp accessible, Girl Scouts of Western Washington subsidizes 55% of the cost to run all our staff-led overnight camp programs and charges Girl Scout members a significantly discounted rate to register. In this guide, and in CampMinder when you register, you'll see the subsidized member prices listed. When you register in CampMinder, you will also see an option to pay the full price if you are able and willing to cover the true cost of your camper's program.

Overnight Community Camp at Camp Lyle McLeod

Prices vary by camp. Please visit each camp's webpage for more information.
