Availability

Foundational is open. Elevated and Premier Plans are available on a first-come, first-served basis and are subject to staff capacity.

Benefit Notes

- All Community Partners receive onboarding/orientation, email support as needed, annual partnership review, compliance reminders, resources and best practices for working with Girl Scouts, and referrals to appropriate Girl Scouts of Western Washington staff or departments as needed.
- Community Partner Connection** is a quarterly communication sharing council news, resources, programming opportunities, and partnership updates.
- Office Hours** provide *Elevated* and *Premier* Partners a monthly opportunity to join a live virtual call to ask questions, share ideas, and receive support from Girl Scouts of Western Washington program managers.
- Promotional opportunities are subject to scheduling availability, submission timelines, and Girl Scouts of Western Washington content standards. *Unused promotional benefits do not roll over to the next membership year.*
