Who Has Access

Troop Leaders And Co-Leaders

Active volunteers registered for the current Girl Scout membership year in a troop leadership role. There should be at least two volunteers with access to the same troop account in the Volunteer Toolkit.

Troop Treasurer Volunteers

Active volunteers registered for the current Girl Scout membership year in a troop finance/administration role. This role will only be able to edit and submit the finance report found on the finances tab. All other tabs will be read-only.

Troop Product Manager Volunteers

Active volunteers registered for the current Girl Scout membership year in the troop product program role (either Cookies or Fall Product). This role will have access to full troop member details on the My Troop tab including contact information. All other tabs will be read only.

Caregivers Of Girl Scouts In A Troop

Each primary caregiver has access to see their troop's Volunteer Toolkit account. They have read-only permission for the meeting schedule and agendas, plus additional resources. (Caregiver accounts can only be accessed if the troop leader has set up a year plan.)

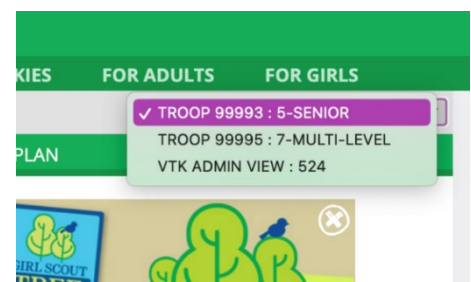

Caregivers Of Individually Registered Members (IRM) *You!*

Each primary caregiver of a currently registered Girl Scout who is not part of a troop will get troop leader-like access with their Girl Scout(s). Access is granted through the council based on confirmation of individually registered member status.

Demo Access

Available for supporting volunteer and staff roles that need access to the Volunteer Toolkit for training purposes. Demo access mirrors troop functionality but does not contain individual or troop information. These users will have two demo accounts under the gray drop-down ("Troop Demo - Troop Leader" and "Demo - Parent") and can see both sides of the troop experience. Access is granted through the council based on placement in designated support roles.

NOTE: If you hold multiple roles, or have multiple IRM Girl Scouts in your family, you'll have a Volunteer Toolkit account for each—all under one login! Look for the gray drop-down box in the upper-left corner of your screen to navigate between accounts.

Where To Find The Volunteer Toolkit

The Volunteer Toolkit can be used from any computer, tablet, or smartphone with internet access. For best results, use a Toolkit-friendly browser, such as Chrome or Firefox, with a cleared cache, and visit www.girlscoutsww.org.

In the upper-right corner of your screen, click myGS and sign into your member account. Once logged in, go to the My Account page and select “Volunteer Toolkit” from the left side-bar menu.

Basic Navigation

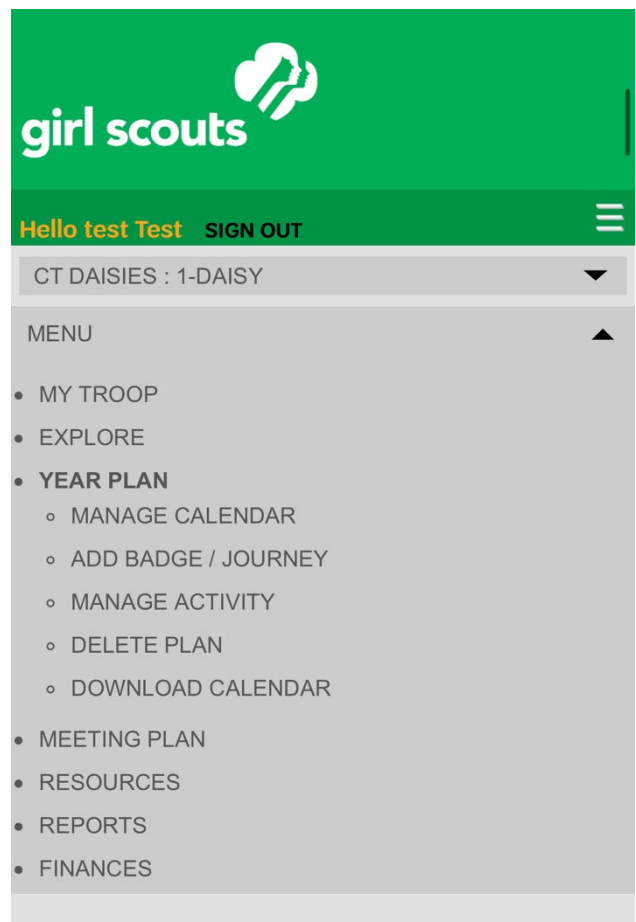

The Volunteer Toolkit is divided into tabs that each have unique tools to help you plan your year and manage each meeting with ease. If you’re on a computer, you’ll see the green tabs across the top of your browser window. Mobile users will see a gray drop-down menu at the top with tabs beneath. You’ll notice three icons on almost every page of the Volunteer Toolkit:

Print allows you to print a copy of your current screen.

Download allows you to download calendar appointments (from the Year Plan tab), pages, and resources.

Seek additional **help** by clicking the green question mark icon or by clicking “Take a Guided Tour.”

My Troop

Here you will find a record of your personal information and any earned Girl Scout achievements.

From this tab, you can also download and print your achievement report, renew memberships, and customize the page with a photo.

Explore

You'll find exciting options for your year under the Explore tab, including prebuilt tracks based on each Girl Scout program level. You can also browse individual badges and meeting types to build a plan from scratch. Once you've made a choice, your year plan will be automatically populated. Selecting a year plan is required before other features become available, but you can come back to the Explore tab anytime to add or change your plan as you go.

From this tab, you can also preview prebuilt tracks of badge and Journey activities, preview individual badge or award requirements, and download or print an overview of each.

Year Plan

From this tab, you can set a schedule, add or swap out badges and awards, and fine-tune your Girl Scout year. For a walk-through of all the tools at your fingertips, click “Take a Guided Tour” on the Year Plan tab. If you ever want to start all over, use the Delete button to remove all meetings and achievements. However, deleting your Year Plan cannot be undone or recovered.

From this tab, add more custom and council activities, preview requirements, and view previous years and important milestones from your local area.

Meeting Plan

Here you’ll find the tools to make each badge, award, and activity a success. We’ve provided prep information, materials lists, and step-by-step instructions for activities.

From this tab, you can also print meeting resources, customize meeting plans, email topic experts to help with your badge, and check off completed badges and awards.

Resources

Under this tab, you’ll find answers to your pressing questions—like where to put pins and badges on a uniform, which special awards your Girl Scouts can earn, or how to lead well-loved Girl Scout traditions—along with resources by topic from GSUSA and Girl Scouts of Western Washington.

From this tab, you can also gain access to the Girl Scout shop from each program level, download reference documents for all the awards a Girl Scout can earn, and explore tips for troop leaders and other roles. All user types can see this tab and interact with it in the same way.

The screenshot displays the Girl Scout Volunteer Toolkit interface. At the top, a navigation bar includes tabs for MY TROOP, YEAR PLAN, MEETING PLAN, RESOURCES (which is highlighted), and FINANCES. Below the navigation bar, the 'Resources' section is titled. A sub-header 'FROM YOUR COUNCIL' is followed by a date '8/13/18 V.M.'. A horizontal menu shows program levels: Daisy, Brownie, Junior (selected), Cadette, Senior, Ambassador, and Multi-level. Under the 'Junior' level, there are links for 'Shop Now!', 'Badge & Award Chart', 'Uniform Placement', 'Badge Explorer', and 'Badge & Journey Meeting Pl...'. Below this, three main resource categories are listed: TROOP LEADERSHIP (with links for 'Knowing Your Role & Worki...' and 'Tips for Troop Leaders - Live!'), FAMILY HUB (with links for 'Growth & Support for Your ...', 'Family Tips & Volunteer Op...', 'Keep Parents & Caregivers I...', and 'Raising Awesome Girls'), and SAFETY (with a link for 'Internet Safety Pledge').

First-Year Troop Leader Experience

New to leading your IRM Girl Scout experience and need help getting started? We've got you. The First-Year Troop Experience supports new leaders or IRM caregivers with additional guidance to get you acquainted with the Volunteer Toolkit. After logging into myGS and navigating to the Volunteer Toolkit, you'll be prompted to answer the question, "Is this your first year as a Girl Scout troop leader?" If you answer "yes," you will follow a guided path with recommended steps to simplify your onboarding process.

If this is not your first year as an IRM family but would like to see the guided path, click "Take a Guided Tour" on any of the Volunteer Toolkit tabs to see the same guidance that a new leader would.

Set Up Your Year Plan

The first time you log into the Volunteer Toolkit, you'll be taken to the Explore tab. From here, you can visit the My Troop, Resources, or Finances tabs, but to activate the Year Plan and Meeting Plan tabs you need to first make a selection under the Explore tab.

Girl Scouts are ready for whatever comes their way—and that includes changes in meetings or their year plan. Start by using the green “Add Badge/Journey” link at the top of the year plan or the “Search to Add Meetings” link at the bottom of the year plan. Use the search feature or filters to sort through available meeting types and choose which ones to add to your year plan. Meeting titles with numbers at the end are part of a series; you’ll want to add all of these to meet the requirements for the award. Meetings already in your plan will be clearly marked.
