### **GSWW's Girl Scout Leadership Experience:**

By participating in the Girl Scout Leadership Experience, Girl Scouts benefit in five key ways as they:

#### **Program Outcomes:**

- **Develop a strong sense of self.** Find confidence in themselves and all they're capable of as they try new things, take on challenges, and learn from mistakes.
- **Display positive values.** Learn to act ethically, lead with honesty, be responsible, and show concern for others.
- **Seek challenges and learn from setbacks.** Take age-appropriate risks, open up to new opportunities and experiences, and embrace failure as an opportunity to learn.
- **Form healthy relationships.** Practice leading with positivity, learn to communicate feelings directly, and resolve conflicts constructively.
- **Become community problem-solvers.** Identify problems in their community and create action plans to solve them.

*Please describe how your program(s) will meet at least one of the Girl Scout Leadership Experience Outcomes.*

**GSWW’s Diversity, Equity, and Inclusion Commitment:**

We strive to build a community which represents every race, ethnicity, income level, sexual orientation, ability, and religion; reflects the spectrum of gender identity; and connects across geographic locations. We will take sustained action to grow as an anti-racist and anti-oppressive organization so that, through Girl Scouts, our members are affirmed as they strive to make our communities and world better.
